

4 Public Realm Strategy - The proposed street plan

Key

1. New paving. Materials and colours to reflect the Dutch and seaside themes of Canvey.
2. New paving. Concrete block pavers and feature bands in less trafficked areas
3. New street tree planting to green up the streets
4. Raised pedestrian crossing located at points to assist pedestrian movement around the retail loop and town centre, and to reduce vehicular speeds
5. Controlled crossings at junctions

6. New school public realm to tie into the town centre through co-ordinated materials
7. New on street parking bays where possible
8. Proposed bus stops
9. Proposed taxi ranks
10. Proposed delivery zone
